RE: FUEL PRICE ADJUSTMENT (FPA) QUARTERLY ADJUSTMENT

Dear Valued Customer:

**Effective February 7, 2012** Young Brothers will update its Fuel Price Adjustment percentage from our current rate of 6.76% to an amount within an estimated range of 7.50% to 8.20%. The actual percentage has not yet been determined as the amount of the Fuel Price Adjustment is based upon costs and revenues for the three-month period that ends January 31, 2012. The Fuel Price Adjustment charge will be reflected as a separate line item on your invoice.

Young Brothers will continue to monitor its fuel costs. As provided in our tariff, the Fuel Price Adjustment percentage is reviewed and may be adjusted every three months.

Sincerely,

/s/ Matthew J. Humphrey
